1. Right to a Copy of This Notice

You have a right to have a paper copy of our Notice of Privacy Practices at any time. In addition, a copy of this Notice will always be posted in our waiting area. If you would like to have a copy of our Notice, ask the receptionist for a copy or contact our Privacy Officer at 815-363-9500.

2. Right of Access to Inspect and Copy

You have the right to inspect (which means see or review) and receive a copy of medical information about you that we maintain in certain groups of records. If we maintain your medical records in an Electronic Health Record (EHR) system, you may obtain an electronic copy of your medical records. You may also instruct us in writing to send an electronic copy of your medical records to a third party. If you would like to inspect or receive a copy of medical information about you, you must provide us with a request in writing. You may write us a letter requesting access or fill out an **Access Request Form**. Access Request Forms are available from our Privacy Officer.

We may deny your request in certain circumstances. If we deny your request, we will explain our reason for doing so in writing. We will also inform you in writing if you have the right to have our decision reviewed by another person.

We may be able to provide you with a summary or explanation of the information. Contact our Privacy Officer for more information on these services and any possible additional fees.

3. Right to Have Medical Information Amended

You have the right to have us amend (which means correct or supplement) medical information about you that we maintain in certain groups of records. If you believe that we have information that is either inaccurate or incomplete, we may amend the information to indicate the problem and notify others who have copies of the inaccurate or incomplete information. If you would like us to amend information, you must provide us with a request in writing and explain why you would like us to amend the information. You may either write us a letter requesting an amendment or fill out an **Amendment Request Form**. Amendment Request Forms are available from our Privacy Officer.

We may deny your request in certain circumstances. If we deny your request, we will explain our reason for doing so in writing. You will have the opportunity to send us a statement explaining why you disagree with our decision to deny your amendment request and we will share your statement whenever we disclose the information in the future.

4. Right to an Accounting of Disclosures We Have Made

You have the right to receive an accounting (which means a detailed listing) of disclosures that we have made for the previous six (6) years. If you would like to receive an accounting, you may send us a letter requesting an accounting, fill out an **Accounting Request Form**, or contact our Privacy Officer. Accounting Request Forms are available from our Privacy Officer.

The accounting will not include several types of disclosures, including disclosures for treatment, payment or healthcare operations. If we maintain your medical records in an Electronic Health Record (EHR) system, you may request that include disclosures for treatment, payment or healthcare operations. The accounting will also not include disclosures made prior to April 14, 2003.

If you request an accounting more than once every twelve (12) months, we may charge you a fee to cover the costs of preparing the accounting.

5. Right to Request Restrictions on Uses and Disclosures

You have the right to request that we limit the use and disclosure of medical information about you for treatment, payment and healthcare operations. Under federal law, we must agree to your request and comply with your requested restriction(s) if:

1. Except as otherwise required by law, the disclosure is to a health plan for purpose of carrying out payment of healthcare operations (and is not for purposes of carrying out treatment); and,
2. The medical information pertains solely to a healthcare item or service for which the healthcare provided involved has been paid out-of-pocket in full.

Once we agree to your request, we must follow your restrictions (except if the information is necessary for emergency treatment). You may cancel the restrictions at any time. In addition, we may cancel a restriction at any time as long as we notify you of the cancellation and continue to apply the restriction to information collected before the cancellation.

You also have the right to request that we restrict disclosures of your medical information and healthcare treatment(s) to a health plan (health insurer) or other party, when that information relates solely to a healthcare item or service for which you, or another person on your behalf (other than a health plan), has paid us for in full. Once you have requested such restriction(s), and your payment in full has been received, we must follow your restriction(s).

6. Right to Request an Alternative Method of Contact

You have the right to request to be contacted at a different location or by a different method. For example, you may prefer to have all written information mailed to your work address rather than to your home address.

We will agree to any reasonable request for alternative methods of contact. If you would like to request an alternative method of contact, you must provide us with a request in writing. You may write us a letter or fill out an **Alternative Contact Request Form**. Alternative Contact Request Forms are available from our Privacy Officer.

7. Right to Notification if a Breach of Your Medical Information Occurs

You also have the right to be notified in the event of a breach of medical information about you. If a breach of your medical information occurs, and if that information is unsecured (not encrypted), we will notify you promptly with the following information:

- A brief description of what happened;
- A description of the health information that was involved;
- Recommended steps you can take to protect yourself from harm;
- What steps we are taking in response to the breach; and,
- Contact procedures so you can obtain further information.

8. Right to Opt-Out of Fundraising Communications

If we conduct fundraising and we use communications like the U.S. Postal Service or electronic email for fundraising, you have the right to opt-out of receiving such communications from us. Please contact our Privacy Officer to opt-out of fundraising communications if you chose to do so.
